

Shoveler

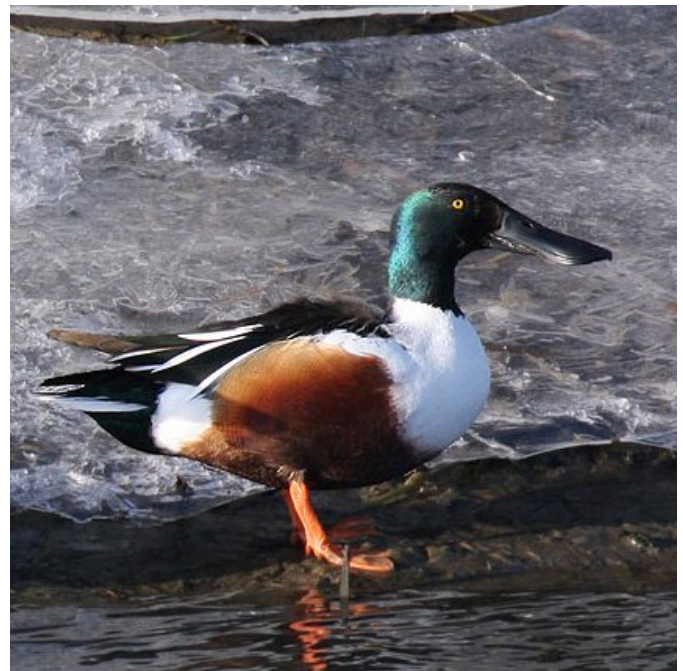

Anas clypeata

Category A

Winter visitor and passage migrant

A widespread but thinly distributed breeding species in Kent, which is numerous as a passage migrant and winter visitor.

The full species account will follow but the breeding and wintering distribution maps based on the 2007 – 2012 BTO / KOS atlas are provided below.

Shoveler at Botolph's Bridge (Brian Harper)

The distribution of winter records recorded in the BTO/KOS Atlas (2007 – 2012) is shown in figure 1.

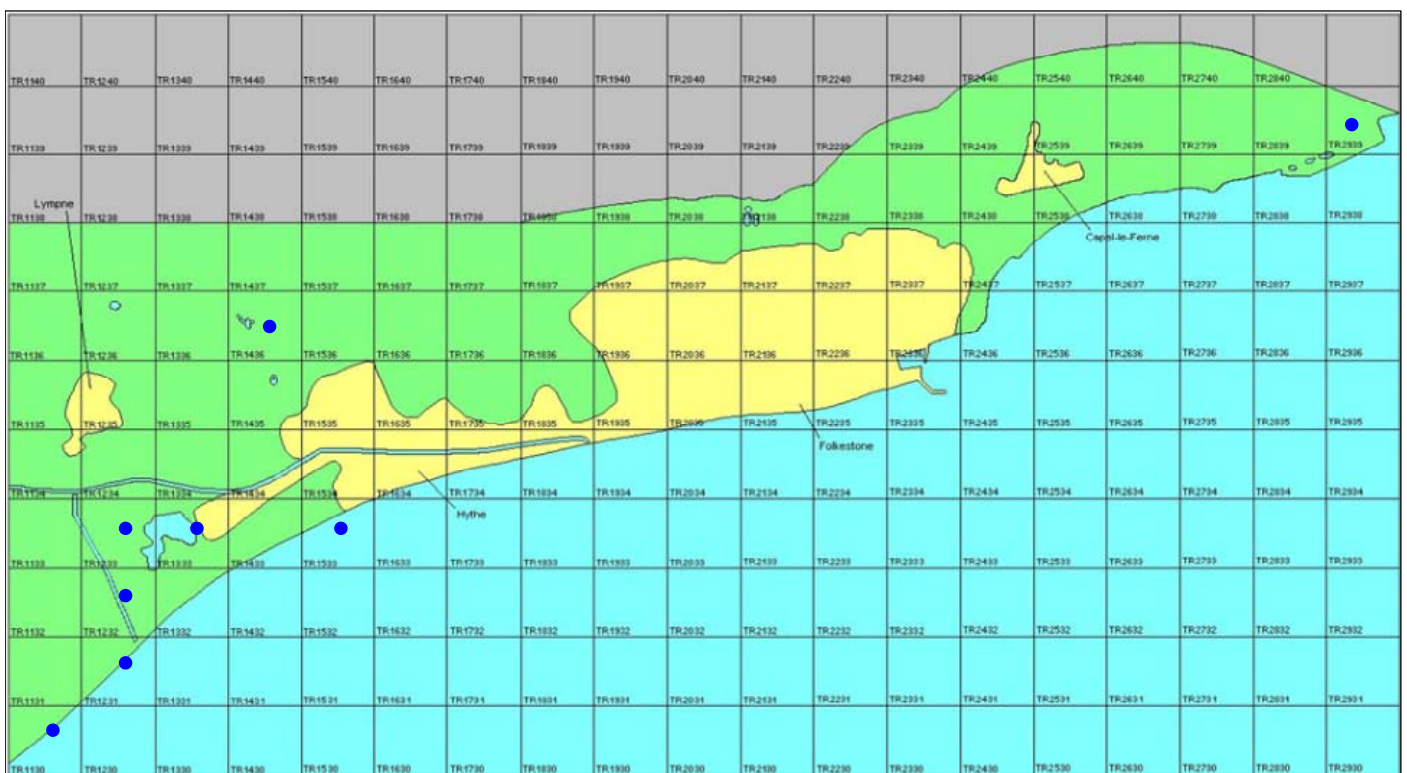

Figure 1: Wintering distribution of Shoveler at Folkestone and Hythe by 1km square
