

Grey Partridge

Perdix perdix

Category A

Breeding resident

A once widespread resident species in Kent, which has declined considerably over recent years, recorded mainly from coastal areas.

The full species account will follow but the breeding and wintering distribution maps based on the 2007 – 2012 BTO / KOS atlas are provided below.

Grey Partridge at Abbotscliffe (Ian Roberts)

The distribution of breeding records recorded in the BTO/KOS Atlas (2007 – 2012) is shown in figure 1.

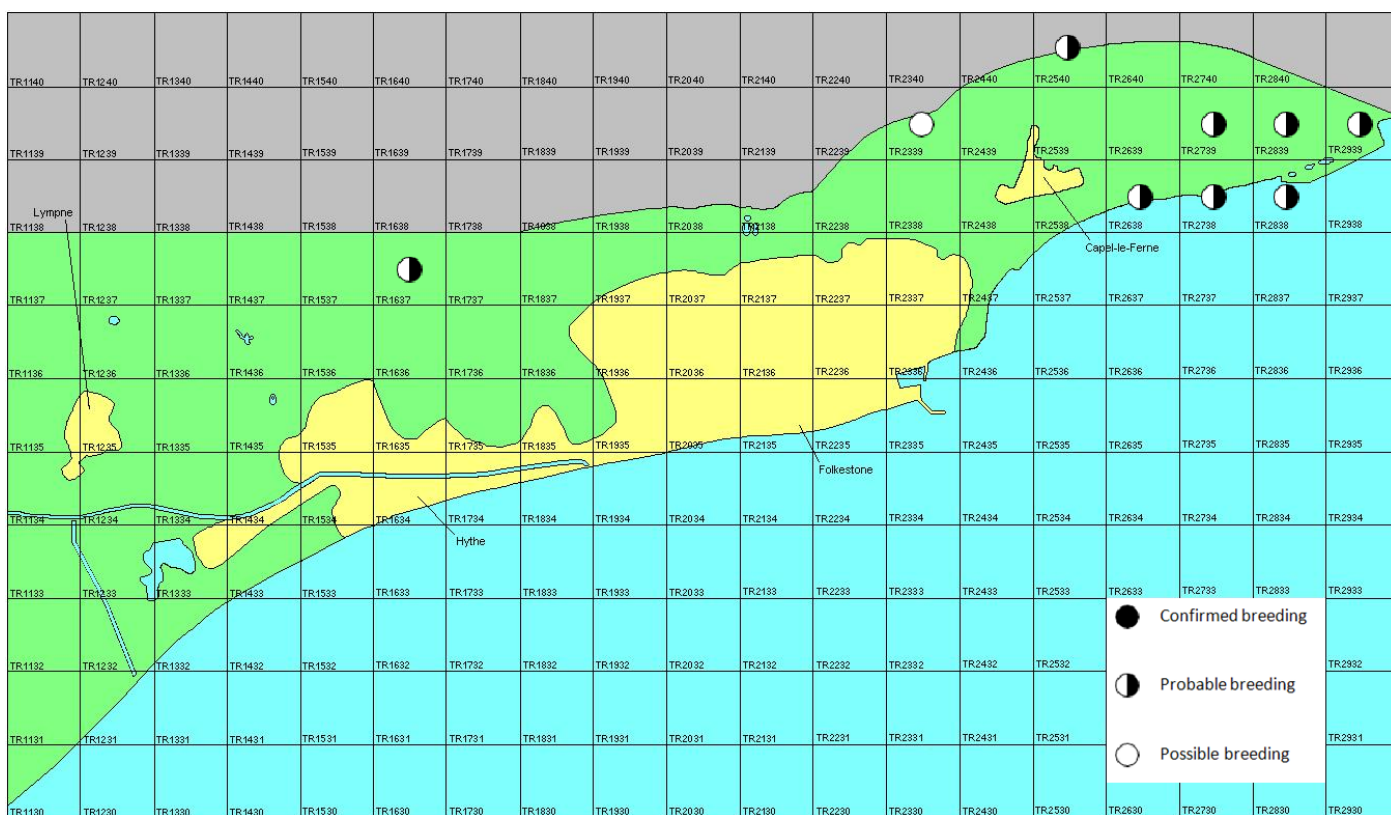

Figure 1: Breeding distribution of Grey Partridge at Folkestone and Hythe by 1km square

The distribution of winter records recorded in the BTO/KOS Atlas (2007 – 2012) is shown in figure 2.
