

Black-throated Diver

Gavia arctica

Category A

Winter visitor and passage migrant

A scarce but regular passage migrant and winter visitor to coasts in Kent, rare inland and in summer.

The full species account will follow but the breeding and wintering distribution maps based on the 2007 – 2012 BTO / KOS atlas are provided below.

The distribution of winter records recorded in the BTO/KOS Atlas (2007 – 2012) is shown in figure 1.
