

Grey Plover

Pluvialis squatarola

Category A

Winter visitor and passage migrant

A common passage migrant and winter visitor to Kent, occasionally summering. Rare inland.

The full species account will follow but the breeding and wintering distribution maps based on the 2007 – 2012 BTO / KOS atlas are provided below.

Grey Plover at the Willop Outfall (Ian Roberts)

The distribution of winter records recorded in the BTO/KOS Atlas (2007 – 2012) is shown in figure 1.

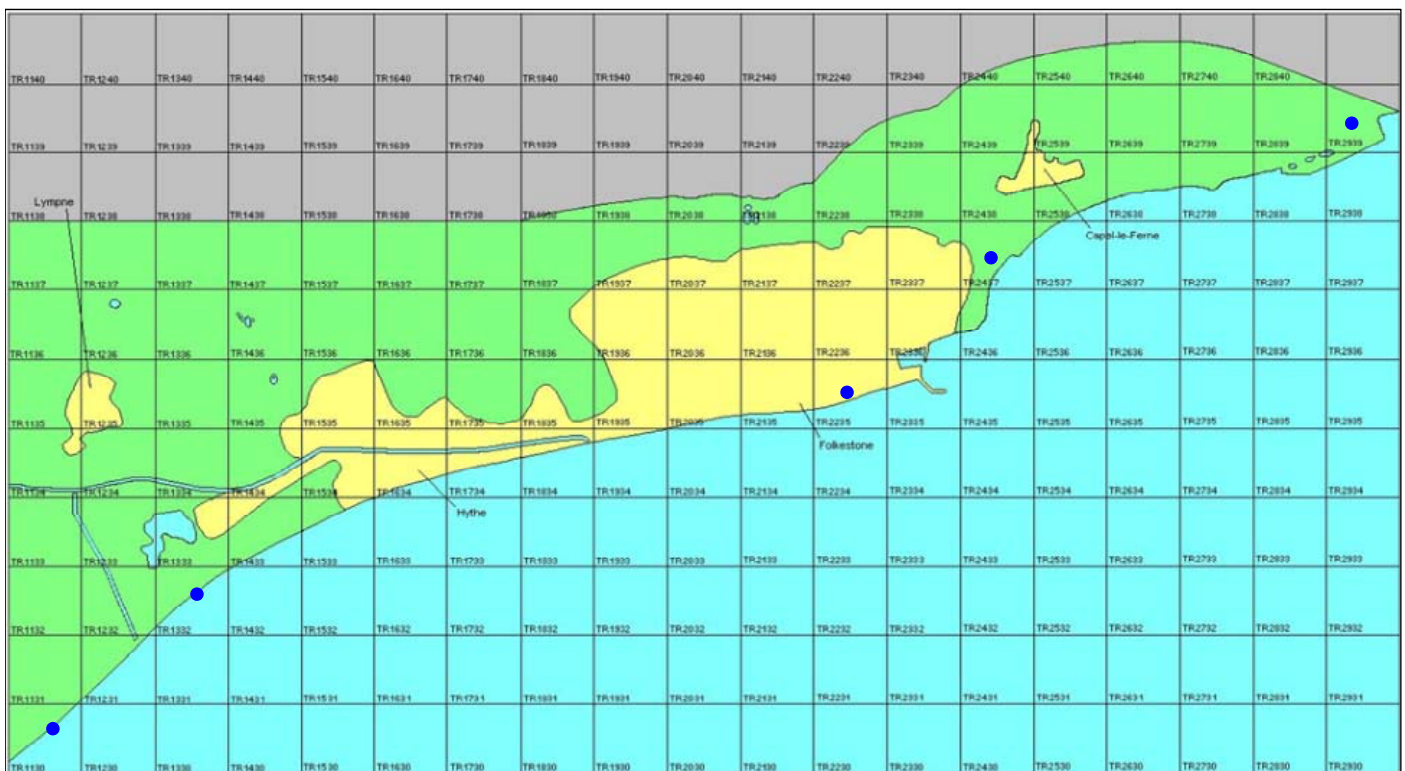

Figure 1: Wintering distribution of Grey Plover at Folkestone and Hythe by 1km square
