

Lapwing

Vanellus vanellus

Category A

Occasional breeding species, also a winter visitor and passage migrant

A widespread but declining breeding species in Kent, also a common passage migrant and winter visitor.

The full species account will follow but the breeding and wintering distribution maps based on the 2007 – 2012 BTO / KOS atlas are provided below.

Lapwing at Donkey Street (Brian Harper)

The distribution of breeding records recorded in the BTO/KOS Atlas (2007 – 2012) is shown in figure 1.

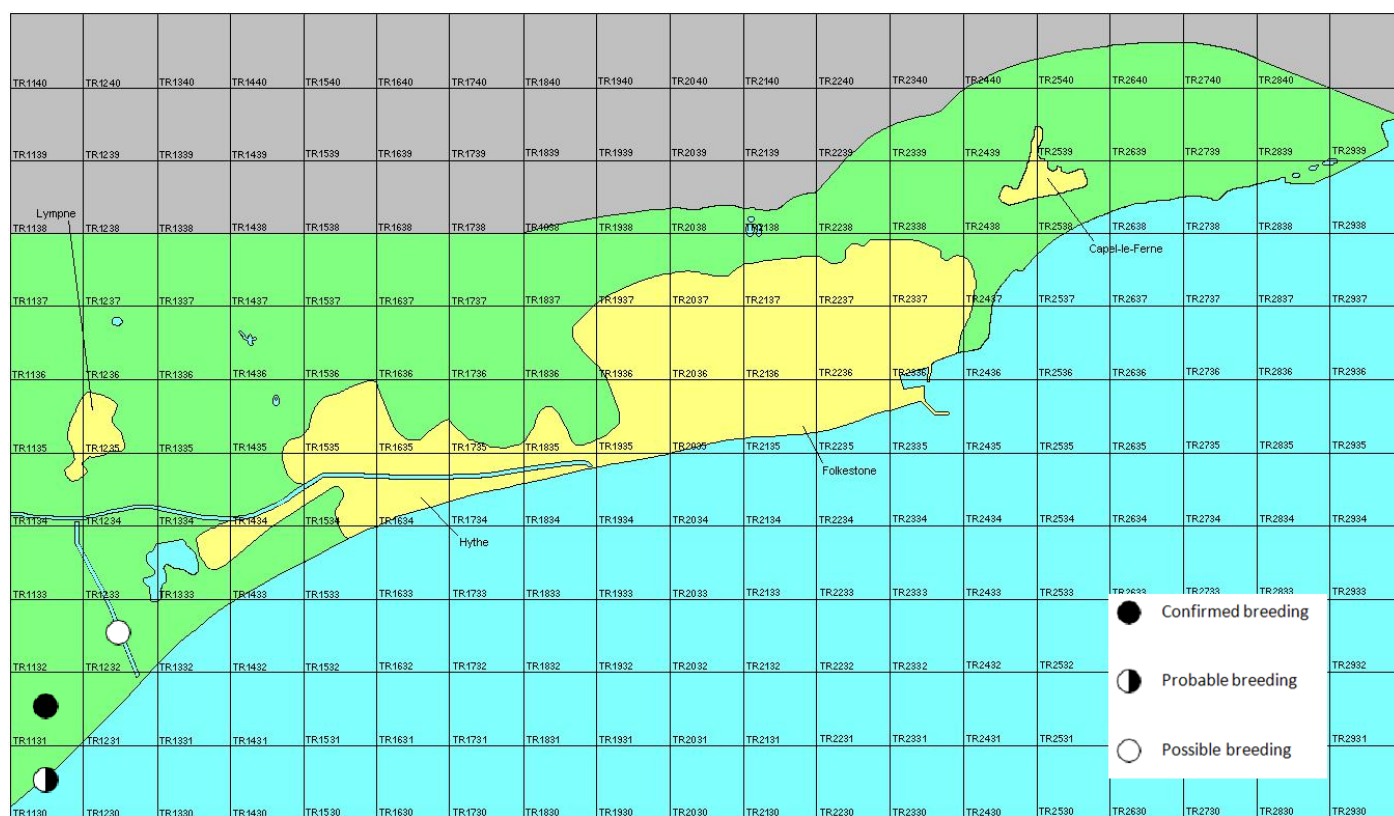

Figure 1: Breeding distribution of Lapwing at Folkestone and Hythe by 1km square

The distribution of winter records recorded in the BTO/KOS Atlas (2007 – 2012) is shown in figure 2.
